Town Hall Meeting – Today

A Town Hall meeting which will be held today between services. Please plan to participate.

Leadership Team Update

Leadership Team met on October 11, 2018. A number of different issues arose. The team discussed plans for developing a more consistent focus for the 11:15 service. The team also continued to work to improve communication with people who are ailing and need visits and caring. Council put together plans for a team to improve this process. Finances were also a topic of discussion. The town hall meeting on October 14th between services will address this issue, including how the church plans to maintain the building.
