Council Update

Church Council met on June 13, 2019. Thanks to a donation, the Church now has a quality video camera to record services. If you are interested in technology and would like to participate on a Tech Team to help find out how to broadcast on different channels, contact Phil Roberts. We are working on plans for presenting Dave Ramsey's Financial Peace University program in the fall. Volunteers are needed for a team to organize nursery coverage in the fall. Contact a Council member if you are interested. God's Work Our Hands Sundays this fall will work on assembling care packages for a number of different groups over a series of Sundays. Contact Joe Brunt or Kathy Leonard if you would like to join the team for this program. Faith formation in the fall is looking at having people present on how their work or their life reflects their faith. Contact Rich Lindstrom if you are interested in presenting. The Church is developing a "prayer cards" program; bring the address of people for whom you would like prayers on Sunday morning. Ask for the prayer, and then people will sign prayer postcards to be mailed to those people after church. The next town hall meeting will be on June 30th after church.

*The flowers on the altar are given by the Allens
in honor of Jonah's 18th birthday.*
